

It's your year to rise

Save on a life-friendly degree, packed with career-relevant skills

You know your potential. So why not make this year your year to soar? As a Phoenix, you can balance work, life and school — all while building new, career-relevant skills.

Own your future

Choose from more than 100 programs aligned to 300+ occupations. And get value from your education well before you graduate:

- **Build career-relevant skills** — every 5–6 weeks
- **Learn when you want** — online 24/7/365¹
- **Apply free and easy** — with no obligation
- **Start when you're ready** — up to 20 dates per year

Stack your savings

Bundle your education benefits with these time- and money-saving opportunities.

You could:

Receive the next course free² for every 5 courses you complete in your degree

Transfer in up to 87 eligible credits

Apply to have your experience evaluated for potential college credit
