## **W-2 Value of Healthcare Files Now Available**

DHRM has produced a file for state agencies to provide the required cost of health benefits, or “value of healthcare,” required by the Affordable Care Act to be included each year on W-2 Forms. The file contains the required value for each individual employed during the 2013 tax year.

- **CIPPS agencies:** The Department of Accounts (DOA) will report the “value of healthcare” on W-2 forms. For more information, see the final item on page 16 of the [Payroll Bulletin, Volume 2013-12](#).
- **Non-CIPPS agencies:** Files are available in agency FTP folders with the file name “BES-W2-Value-of-Healthcare-00nnn-12302013.txt,” where “nnn” is the agency code.
