Eligibility Changes for FAMIS Program

New eligibility criteria became effective on Jan. 1, 2015, for the FAMIS program administered by the Department of Medical Assistance Services (DMAS). DMAS received approval from the Centers for Medicare and Medicaid Services (CMS) to change the eligibility for FAMIS. This change in FAMIS eligibility is **not** a qualifying mid-year event and does not allow for employees to make an election change during the plan year. If you or your agency employees have questions about the new FAMIS eligibility criteria, please contact Cover Virginia at 1-855-242-8282. Look for more information in Open Enrollment materials.
