Health Benefits Administration Courses Scheduled

Two Health Benefits Administration courses are scheduled for late June this year.

Health Benefits Administration: This two-and-one-half hour course is designed for agency human resources professionals, health benefit administrators and payroll employees whose job responsibilities require knowledge of the state's health benefits programs for active employees. The course provides a review of the policies and procedures for Active Employee State Health Benefits and the Flexible Benefits Programs. It also provides a brief overview of the Benefits Eligibility System (BES).
