Benefits Administrator Webinar Series Will Launch on January 29

In an effort to provide tools for Benefits Administrators to expand their knowledge about health plans and other benefits available to their employees, the Office of Health Benefits is coordinating a new series of webinars. Aetna and Anthem will be presenting webinars each month. Look for a complete schedule in a future issue of the E-News and on the DHRM website.

Please plan to participate in the first webinar of this series which will be broadcast on January 29—see below for details. A brief registration is required so that you can participate in the live broadcast, but it can be done at any time prior to the webinar start time. A recording of the webinar will also be available for your use after the live broadcast.

COVA HealthAware Webinar Series

Please join Aetna and DHRM for the COVA HealthAware monthly webinar series designed for Benefit Administrators. Each month, we will present a 15 minute overview of a topic unique to the COVA HealthAware plan, followed by a 15 minute Question & Answer period. The webinars will inform and educate you on important topics related to the COVA HealthAware plan. With this information, you will be better equipped to communicate to current and newly eligible participants on the unique features of the plan.
