# Home Delivery

- Three month supply for only two copays (or coinsurance)
- Easy to get started online at **anthem.com** or by phone
- Delivered safely to your doorstep

# The Value of Home Delivery

- **33% average savings on medications**
- **Members more adherent with their medications**
- **99.99+% dispensing accuracy vs. 98.3% at retail**
- **100% visual inspection by pharmacists**

# Specialty Pharmacy

**We coordinate care** for members who use our specialty pharmacy.

- Access to pharmacists and nurses 24/7
- Support from disease-specific care teams
- Encourage the most appropriate site of care

# Compound Drugs

- **Effective July 1, 2015 coverage for an entire compound claim is based on the primary ingredient by cost:**
  - Primary ingredient by cost must be FDA approved.
  - Bulk chemicals, re-packaged bulk powders, and select pharmaceutical adjuvants (e.g. “proprietary” base creams) are not FDA-approved.
- **Complies with certificate language for coverage of FDA approved drugs.**

# Smoking Cessation Coverage

- Under health care reform, certain FDA-approved smoking cessation prescription drugs and many over-the-counter (OTC) nicotine replacement products are covered at 100%.
- All covered products (Rx and OTC) require a prescription from a doctor, must be filled at an in-network pharmacy, and are subject to labeled quantity limits.

## Prescription smoking cessation drugs

- Chantix
- Buproban 150mg
- Bupropion SR 150mg (generic Zyban)

## OTC nicotine replacement therapy

- Nicotine gum (except brand Nicorette)
- Nicotine lozenges (except brand Commit)
- Nicotine patch (except brands Habitrol & Nicoderm)
