
Dental/Vision Benefits

Notification of Changes to Your Medicare-Coordinating Plans Member Handbook's
Dental/Vision Benefits Insert
Effective January 1, 2013

*Commonwealth of Virginia Retiree Health Benefits Program
Department of Human Resource Management*

On the above effective date, the following change becomes part of your Medicare-Coordinating Plan Member Handbook's Dental/Vision Benefits Insert. Keep this notification with your Member Handbook insert. You may also access this information from the following Web site:

Department of Human Resource Management at www.dhrm.virginia.gov

1. Under Vision, the months the benefits are available is replaced as follows:

Routine vision benefits are available once every 12 months, instead of once every 24 months. This includes the routine vision examination, eyeglass frames and lenses.
