#### ***Important Things To Know About Making An Election Change Request For This Event***

- 1. *What documentation is required?*** A copy of the HIPAA Certificate of Creditable Coverage or other documentation validating the loss of the other coverage. If adding dependents, you must provide documentation that they are eligible for the state health plan.
- 2. *How to submit the request.*** Starting with the last day covered under the other group plan, you have 60 calendar days to use EmployeeDirect, or complete a paper Enrollment Form and submit it to your agency's Benefits Administrator.
- 3. *When approved changes take effect.*** Changes are effective the first of the month following receipt of your request or following the event, whichever is later. When the later date is the first of the month, changes are effective that day. Election changes are irrevocable once the effective date of the change has occurred.
