

The Science Museum of Virginia has two pieces of great news to share.

First, the Museum is extending [**Da Vinci Alive – The Experience**](#) for two days to give the community more time to see this spectacular exhibition. The exhibition will now close on September 7.

Second, the Museum is offering state employees the opportunity to see **Da Vinci Alive – The Experience** at a drastically reduced price. From September 2 – September 7, state employees can see the exhibition for the Museum member price of \$7. Tickets must be purchased in person. Simply show your state ID at the Guest Services desk to receive the discount.

We don't want employees to miss the chance to see the most detailed and inclusive exploration of da Vinci's work ever created.

For more information on the exhibit, visit www.smv.org

DINOSAURS!

REIGN OF THE GIANTS

NOW OPEN

Featuring spectacular fossils and casts of *Triceratops*, *Stegosaurus*, *Deinonychus* and more. The exhibit also features the world-debut of the only fossil evidence that *Tyrannosaurus rex* and *Triceratops* engaged in battle.

Now through December 29, 2017, all Virginia state employees will receive **FREE admission** to the Virginia Museum of Natural History with presentation of state ID at the Box Office. This discount applies to state employees only. All accompanying guests will be charged the regular admission price.
