

Commonwealth of Virginia Employees

I am Tom Wilburn and I provide Paintless Dent Repair. Paintless Dent Repair is the removal of small dents, door dings or hail damage from your vehicle.

As an area business owner and State resident, I understand the sacrifices that you make on a daily basis. I realize, at times, that you may feel under appreciated.

To show my appreciation for the State of Virginia employees, I would like to offer a 10% discount on the repair of a small dent or door ding (hail is excluded). I realize that for some, your vehicle is an extension of who you are and this discount may allow you to have the repair done.

I service Newport News, Hampton, Yorktown, Williamsburg, Gloucester, Smithfield, Suffolk, Chesapeake, Virginia Beach, Portsmouth and Norfolk. My service is mobile.

Here are two vehicles, with before and after shots, which I have done.
