Exit Survey Program Offers On-Demand Webcast

We are excited to share a new offering to support the Exit Survey Program. Fiscal Year 2021 Quarter 1 & Quarter 2 reports are currently available for agencies to review in the Mercer | Sirota Reports tool. Exit survey reports provide valuable data and information in support of agency decision making and agency actions to support employee retention and the employee experience.

To assist agencies in maximizing the reporting features in the tool, an on-demand [webcast](#) has been developed. This 40 minute webcast includes useful tips, resources and information about exit survey reporting.

The on-demand webcast includes information on:

- Reviewing the reports by survey dimensions
- How to use built-in filters
- How to access open comment box responses
- Comparison between HTML report versus PowerPoint report

Additionally, we are offering two Question & Answer (Q&A) sessions related to exit survey reporting for you and your human resources teams. Please be sure to review the webcast prior to participating in one of these Q&A sessions.
