

The SHRM Learning System for SHRM-CP/SHRM-SCP may be used for professional development or as a preparation tool for the SHRM Certified Professional or SHRM Senior Certified Professional certification examinations. This course is offered by Workers' Compensation Services in the Monroe Building and simultaneously live via webinar for those who cannot attend in person.

The course is open to any government or non-profit employee, including local state and federal employees. *To register, go to Workers' Compensation Services, Training Opportunities, Training Schedule, or for more information, contact Bob Vilcheck at BVilcheck@mcinnovations.com or (804) 775-0748.*

Here is the schedule:
