**ENROLLEE STATEMENT:** I am a current participant in the State Retiree Health Benefits Program, and I wish to make the plan change indicated on page 1 (reverse). I understand that my premium will either be deducted from my monthly Virginia Retirement System (VRS) retirement benefit or, if I do not receive a VRS retirement benefit or my VRS retirement benefit will not support the deduction of my premium payment, billed by the Commonwealth of Virginia billing administrator. I understand that if I cancel my coverage, I will not have the opportunity to return to the program at any time and that my cancellation will result in the cancellation of any dependents covered based on my eligibility. I understand that election of the Advantage 65–Medical Only Plans precludes my future enrollment for prescription drug coverage under the program. I understand that my health benefits premium is subject to change. I am aware that the Commonwealth of Virginia reserves the right to change my coverage to the appropriate plan and membership based on my eligibility and/or plan availability. I understand that failure to pay premiums by the date designated on my monthly bill, if applicable, will result in cancellation of coverage and will permanently revoke my eligibility for the program. Further, I understand that no claims will be processed for services during months for which premium payment in full has not been received. I understand that enrolling or maintaining coverage for ineligible dependents may result in removal from the program for up to three years.

**CERTIFICATION/AUTHORIZATION:** I certify that I have reviewed the information on this enrollment form and that it is complete and accurate to the best of my knowledge. Furthermore, I understand that the health plan and its business associates have the right to use Protected Health Information in connection with the treatment, payment and operations of these plans as defined by the Health Insurance Portability and Accountability Act.
