**To: State Agencies in Cardinal Release 1 (R1)**

## **IMPORTANT: Affordable Care Act (ACA) Reporting**

The BA E-News issue dated October 21, 2021, gave a **November 10, 2021**, deadline for the first BES ACA reconciliation.

Because of possible missing conversion data in Cardinal that impacts the historical information needed to populate the report, please put your quarterly review of ACA **on hold**. DHRM and Cardinal will be fully assessing the situation. We will send additional communication and a new due date soon.

Thank you for your patience.
