Changes to Copayments and Hours at Capitol Square Healthcare

Capitol Square Healthcare for Employees was established in downtown Richmond in 2016 to offer convenience for state employees in accessing health care services. Effective immediately, the State Health Benefits Program is adding more convenience at no cost to employees.

The changes include:

- **No copayments** for employees and family members covered in any state or regional health plan, including COVA Care, COVA HDHP, COVA HealthAware, the TRICARE Supplement, Kaiser Permanente HMO or Optima Health Vantage HMO. Any employee without state health coverage will pay a \$50 copayment. This change was effective October 1, 2022.
- Same day appointments are available every day.
- Capitol Square Healthcare will be open five days a week, Monday – Friday from 7:30 a.m. to 5:00 p.m.

Please encourage your agency employees located in Richmond or traveling to take advantage of these **free** benefits provided to health plan members!
