

Important Health Care Notices

Affordable Care Act (ACA) Summary of Benefits and Coverage (SBC)

The health benefits available to you through the Commonwealth of Virginia represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC) for each plan, which summarizes important information about any health coverage option in a standard format, to help you and your family compare across options.

A paper copy for the plan in which you are enrolled is enclosed. The SBCs are available on the Department of Human Resource Management's website at www.dhrm.virginia.gov. Paper copies of the SBCs are available, free of charge, by calling 1-888-642-4414.

For a complete description of plan benefits, limits and exclusions, always refer to your plan Member Handbook.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

Notice Regarding Wellness Program

Plan Year July 1, 2021 through June 30, 2022

Voluntary wellness programs are available to all employees, retiree group participants and spouses enrolled in the COVA Care, COVA HealthAware, and COVA High Deductible Health Plans under the Commonwealth of Virginia Employee/Retiree Health Benefits Program. The programs are administered by the medical plan claims administrators, as noted below, according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with

Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you decide to participate in the wellness program that is available to you, you can choose to complete a voluntary online health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). Completion of the HRA by employees/retirees and their enrolled spouses in the COVA Care or COVA HealthAware Plans will result in earning a premium reward, which is a reduction in the monthly health plan premium contribution. You are not required to complete the HRA or to participate in other medical examinations. However, employees/retirees and enrolled spouses who choose to participate in the wellness program by completing the HRA will earn an incentive of \$17 per month for each completed HRA. The premium reduction will be effective based on the date the HRA is completed. Although you are not required to complete the HRA, only employees/retirees and spouses who do so will earn a premium reward.

Additional incentives are available for employees and spouses enrolled in the COVA Care and COVA HealthAware Plans who participate in certain health-related activities as listed at the end of this Notice. These programs are described in detail in your Member Handbook. If you are unable to participate in any of the health-related activities required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting the Department of Human Resource Management's Office of Health Benefits by email at ohb@dhrm.virginia.gov or by telephone at 888-642-4414. Employees/retirees and enrolled spouses in the COVA High Deductible Health Plan may participate in these wellness programs, but no incentive is available. The information from your HRA or health plan claims will be used to provide you with information to help you understand your current health and potential risks. It may also be used to offer services through the wellness program, such as those listed at the end of this Notice, or other information that provides personalized health guidance. You are also encouraged to share your results or concerns with your own doctor.

Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and the Commonwealth of Virginia Employee and Retiree Health Benefits Program may use aggregate information it collects to design a program based on identified health risks in the workplace, claims administrators will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that is provided in connection with the wellness program and that personally identifies you will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. Only your medical plan's claims administrator, which administers available wellness programs,

will receive your personally identifiable health information in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separately from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately. You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact the Department of Human Resource Management’s Office of Health Benefits by email at ohb@dhrm.virginia.gov or by phone at 1-888-642-4414.
