ROUTINE VISION BENEFITS from Blue View VisionSM

Blue View Vision network services

Your routine vision benefit uses the Blue View Vision network – one of the largest vision care networks in the industry with a wide selection of ophthalmologists, optometrists and opticians. The network also includes convenient retail locations, many with evening and weekend hours, including 1-800 CONTACTS, LensCrafters®, and Target Optical®. You may also use your in-network benefits to order eyewear online at Glasses.com and ContactsDirect.com.

Go to www.anthem.com/cova to find a Blue View Vision provider near you.

Out-of-network services

You can choose to receive care outside of the Blue View Vision network. You simply get an allowance toward services and you pay the rest. Just pay in full at the time of service and then file a claim for reimbursement. In-network benefits and discounts will not apply.
