Anthem has one of the largest provider and hospital networks in the state of Virginia.

Network **medical and behavioral health providers** accept the allowable charge as payment in full after you pay any applicable deductible, copayment or coinsurance. That means lower out-of-pocket costs for you.

Finding an in-network provider is easy.

1. Go to [anthem.com/cova](http://anthem.com/cova) and select *Find Care*.
2. Log in to the *Sydney Health mobile app* and click on *Find Care*.
3. Call Anthem Health Guides at **1-800-552-2682** for help.
Care When Traveling – out of state or worldwide

BlueCard® PPO Program for care in the U.S.

What happens if you’re traveling or living outside Virginia and you need care? You have access to care across the country through the BlueCard® PPO Program. This includes a large number of providers and hospitals nationwide. When you see a BlueCard program doctor or hospital you pay only your usual plan deductible, copayment or coinsurance, and the provider files your claim for you. If you go to a doctor or hospital outside the program, you’ll need to pay the entire bill up front and file your own claim.

Always show your Anthem ID card when you receive services. The “PPO-in-a-suitcase” symbol shows you can get care from BlueCard PPO Program providers.

Looking for a BlueCard PPO Program doctor or hospital?

1. Go to bcbs.com and select Find a Doctor.
2. Log in to the Sydney Health mobile app and click on Find Care.
3. Call Anthem Health Guides at 1-800-552-2682 for help.

Blue Cross Blue Shield Global Core Program for care outside the U.S.

If you’re outside the U.S. and need care:

- Go to bcbsglobalcore.com and register or login. You can also download the Blue Cross Blue Shield Global Core app to search for a doctor or hospital.
- Need help finding a doctor or hospital, or have questions about getting care abroad? Call the Blue Cross Blue Shield Global Core Service Center 24/7 at 1-800-810-2583 (BLUE) or call collect at 1-804-673-1177. A service representative will help you set up a doctor visit or hospital stay. An assistance coordinator, together with a medical professional, will arrange a doctor’s appointment or hospital stay, if needed.
- Contact the Blue Cross Blue Shield Global Core service center if admitted to the hospital, and call the Member Services number shown on your ID card for precertification.

- You will need to pay up front for care, then fill out a Blue Cross Blue Shield Global Core claim form. Send the form and the bill(s) to the address on the form. Download the claim form from bcbsglobalcore.com and enter the three-digit alpha prefix found on your ID card. Or call Anthem Health Guides to request the form.

Good to Know

Medical transport from another country to the United States (known as medical repatriation) is not covered under your plan. You may want to purchase travel insurance to cover that for you.

Your prescription drug benefits are through Anthem Pharmacy delivered by CarelonRx. It is a mandatory generic program which means if you or your doctor requests a brand name drug when a generic is available, you will pay for the brand copayment plus the difference between the allowable charge for the generic and the brand name drug.

**Drug Tiers**

Your pharmacy benefit categorizes covered drugs into four tiers, and each tier has a specific copayment. Periodically a drug may move from one tier to another.

<table>
<thead>
<tr>
<th>Tier 1</th>
<th>Tier 2</th>
<th>Tier 3</th>
<th>Tier 4</th>
</tr>
</thead>
<tbody>
<tr>
<td>Generic drugs</td>
<td>Lower cost preferred brand name drugs</td>
<td>Higher cost non-preferred brand name drugs</td>
<td>High cost Specialty drugs</td>
</tr>
</tbody>
</table>

**Retail Pharmacy**

Get up to a 34-day supply of covered drugs at a network retail pharmacy. You can also get a three month supply of the drug by paying three copayments at the time of purchase. Your retail pharmacy network has more than 67,000 pharmacies across the country – including most chains and some local, independent pharmacies. To check if your pharmacy is in the network, simply ask your pharmacist, go to [anthem.com](http://anthem.com), or call us at 1-833-267-3108.

When you use a network pharmacy, you pay only the applicable copayment. If you choose an out-of-network pharmacy, you'll need to pay the total cost of the drug when you pick it up, and then file a Prescription Drug Claim Form to get reimbursed. You may be responsible for the difference between the pharmacy’s charge and the plan’s allowable charge for the drug.

**Home Delivery Pharmacy**

This is a convenient, cost-saving way to get up to a 90-day supply of medications you take on a regular basis. You pay two copayments for a three-month supply of drugs, and the medication is delivered right to your home.

**To get started:**

**By phone:** Call 1-833-267-3108. A representative will help you with your order. Have your prescription, doctor’s name, phone number, drug name and strength, and credit card handy when you call.
Online: Login to anthem.com and select Pharmacy under My Plans to request a new prescription or refill a current prescription. Use your online Pharmacy tools to set up automatic refills, compare drug costs, and get details about medications.

Specialty Pharmacy

Specialty Home Delivery
Your pharmacy program includes access to home delivery of specialty drugs. Specialty medications include biopharmaceutical and injectable drugs.

Call 1-833-267-3108 to begin using the Specialty Home Delivery service. Provide them with your doctor's name and phone number, and they'll do all the rest.

Specialty Retail
You can also obtain your specialty drugs from a participating retail pharmacy for up to a 34-day supply, or pay three copayments for a three month supply.

Prior Authorization (required for some prescriptions)
Most prescriptions are filled right away when you take them to the pharmacy. However, some drugs need to be reviewed before they are covered. This process is called Prior Authorization. If Prior Authorization is needed, your doctor must submit the request. A decision whether the drug will be covered is usually made within 24-48 hours from the time of the request.

It’s easy to get EOBs for your pharmacy claims on anthem.com!

- Bitewing x-rays
- Sealants and fluoride for children under 19
