## DENTAL/VISION OPTION

Dental/Vision coverage may be added to Advantage 65 or Advantage 65—Medical Only at any time, and it may be cancelled at any time. However, once the Dental/Vision option has been elected and cancelled one time under any Medicare-coordinating plan, it may not be elected again. When adding Dental/Vision, your election will be effective the first of the month following receipt of your request.

Dental Benefits	The Plan Pays:
<p>The maximum benefit per calendar year is \$2,000 per enrollee. There is no annual deductible. Some limitations may apply. See your Dental/Vision Member Handbook Insert for additional information.</p>	
<p><b>Diagnostic and Preventive Care, including:</b></p> <ul style="list-style-type: none"> <li>• Two routine oral evaluations, cleanings and bitewing x-rays per calendar year</li> <li>• One full mouth x-ray every three years</li> </ul>	<p>100% of the allowable charge</p>

Use of a non-participating provider will generally result in a reduced benefit and higher out-of-pocket costs. Your Member Handbook Dental/Vision Insert includes additional information.

# ENHANCED MEDICARE PART D PLAN OPTION

Effective January 1 – December 31, 2023

Participants covered under the Advantage 65 Plan or Advantage 65 + Dental/Vision Plan will have the outpatient prescription drug coverage described below (pending Medicare approval). The level of coverage is based on:

- Whether the drug is included on the plan's formulary — the list of covered drugs for the current plan year which is available at [www.express-scripts.com/documents](http://www.express-scripts.com/documents) or by calling Customer Service at 1-800-572-4098 (TTY users call 1-800-716-3231)
  - Generally, drugs that are not on the plan's formulary will not be covered; however additional information regarding exceptions is provided in the Evidence of Coverage.
- The coverage tier of the drug — tiers are described in the chart below and are designated for all covered drugs in your formulary
- The coverage stage — each coverage stage is described below

**Deductible Stage** – A \$505 annual deductible will apply to covered brand-name drugs. There is no deductible for covered generics.

**Initial Coverage Stage** – Once the annual deductible has been met for covered brand-name drugs (and immediately for covered generics), the Initial Coverage Stage will provide the following benefit until total drug cost reaches \$4,660:

Drug Tier	Supply of Medication/ Method of Purchase	Your Copayment/Coinsurance Amount
<b>Tier 1 Generics</b>	Up to a 34-day supply of a covered generic drug at a participating retail pharmacy	\$7.00
<b>Tier 1 Generics</b>	Up to a 90-day supply of a covered generic drug purchased through the mail service program	\$7.00
<b>Tier 2 Preferred Brands</b>	Up to a 34-day supply of a covered preferred brand drug at a participating retail pharmacy	\$25.00 (after deductible)
<b>Tier 2 Preferred Brands</b>	Up to a 90-day supply of a covered preferred brand drug purchased through the mail service program	\$50.00 (after deductible)
<b>Tier 3 Non-Preferred Brands</b>	Up to a 34-day supply of a covered non-preferred brand drug at a participating retail pharmacy	75% of the cost of the drug (after deductible)
<b>Tier 3 Non-Preferred Brands</b>	Up to a 90-day supply of a covered non-preferred brand drug purchased through the mail service program	75% of the cost of the drug (after deductible)
<b>Tier 4 Specialty Drugs</b>	Up to a 34-day supply of a covered specialty drug at a participating retail pharmacy	25% of the cost of the drug (after deductible)
<b>Tier 4 Specialty Drugs</b>	Up to a 90-day supply of a covered specialty drug purchased through the mail service program	25% of the cost of the drug (after deductible)

**Coverage Stages** continued on page 5

**Coverage Gap Stage – This plan does not have a coverage gap.** After your total drug costs reach **\$4,660** in the 2023 plan year (the point at which standard plans reach their Coverage Gap), this plan will generally cover generic and formulary brand-name drugs at the same copayment or coinsurance as in the Initial Coverage Stage. However, due to the Medicare Coverage Gap Discount Program, the amount you pay for non-preferred drugs may be lower. You will stay in this stage until your out-of-pocket drug cost plus the amount paid by the Coverage Gap Discount Program for this plan year reaches **\$7,400**. The plan's Evidence of Coverage has complete information.

**Catastrophic Coverage Stage** – In 2023, if your annual true out-of-pocket drug expense (including deductible, copayments, coinsurance, and the contribution from the Medicare Coverage Gap Discount Program, but not including the cost of non-covered or excluded drugs) reaches **\$7,400**, you will pay the greater of either 5% coinsurance or a copayment of **\$4.15** (generics or drugs treated as generics) or **\$10.35** (brand-name drugs). You will remain in this stage for the remainder of the year.

**Medicare Explanation of Benefits (EOB)** – To help participants track their coverage stages, an EOB is provided by the claims administrator for any months during which their benefit is used. You may also obtain a copy electronically by accessing the website at [www.express-scripts.com](http://www.express-scripts.com) or by contacting Express Scripts Medicare Customer Service at 1-800-572-4098, TTY callers 1-800-716-3231.
