# Science Museum + summer job = the perfect combo!

Do you know someone looking for a summer job? And not just any summer job, a summer job that's inspiring, memorable, dynamic and tons of fun? If so, tell them to check out the Science Museum of Virginia!

Located in Richmond, the Science Museum is currently hiring numerous seasonal positions to support the education and operations teams.

- Camp counselors
- Science presenters
- Makerspace educators
- Guest services associates
- Retail generalists

## There's something for everyone!

Please help the Science Museum recruit energetic, creative and innovative applicants by encouraging job seekers to join the fun!
