

## **Need to get tested for sleep apnea? Here's what Singular Sleep can do for you:**

- Our FDA-approved testing is done at home; no need to spend the night in a lab!
- **\$265 (With discount code: CWVE) price includes use of the test, test results report, and the cost of shipping both ways.**
- Test is simple and easy to use, requiring only one night.
- Meets DOT requirements.
- Quick results: get your test report 1-2 business days after return receipt of kit.
- Option to consult online with our sleep doctor. Doctor will explain your test results as well as prescribe and manage your treatment.
- One stop shopping: we can also supply your CPAP equipment for unbeatable prices!
