

Turn your life experience into credit

Save time. Save money. Get to your future faster.

You might be closer to an undergraduate degree than you think. We've evaluated hundreds of professional and life experiences for potential credit through our Prior Learning Assessment (PLA).

Why? We don't want you to take classes you don't need — and we're pretty sure you don't either.

Graduate faster

For every three credits you earn through PLA, you'll graduate five weeks faster.

Save on tuition

For every three credits you earn through PLA, you'll save almost \$1,200 in tuition.
