A row of colorful, historic brick townhouses with a sign in the foreground. The sign is white with a yellow section on the left that says "VCU". The text on the sign reads "1014 Meredith House" and "Performance Management Group". At the bottom of the sign, it says "Virginia Commonwealth University". The townhouses are in various colors including red, yellow, and brown. There are green bushes and a set of stone steps leading up to one of the buildings.
