**Join us on 3.14 for a Workforce Planning Webinar**

Join our Senior Consultant for Workforce Planning, [Christopher Kinney](#), on Thursday March 14, 2024, at 1:00pm as we host a workforce planning webinar!

Since our evolution to a strategic workforce planning process two years ago, we have had the opportunity to learn from agencies and gather more feedback on the process, a crucial ingredient for the future of workforce planning. Join us in this webinar as we detail how we have combined your feedback into the existing process, examine strategic workforce planning from a 360-degree view for about one hour, what the future of workforce planning could look like in the years to come, all while having the opportunity to ask your questions live.

We think these efforts will be a recipe for success in our continued work on building the bench strength for workforce planning across the Commonwealth. We hope you will be able to join us!

Please be sure to [register for the webinar](#) prior to the session.
