

ODGA Free Training and Resources for Commonwealth Agencies

The [Virginia Office of Data Governance and Analytics](#) provides free training and resources for Commonwealth agencies to improve their data governance and management programs. Please feel free to take advantage of the following resources:

- **ODGA Resource Library:** Policy templates, guidebooks, job descriptions, and more for agencies to download, edit, and use at their discretion to improve their data governance programs! Access the [ODGA Resource Library](#) on the ODGA Website.
- **ODGA Data Custodian and Owner Training:** Fulfills a Section-527 requirement and covers basic aspects of both data custodian and owner roles and responsibilities. This training is available in the COVLC or ODGA can provide a copy of the SCORM files for your agency. More information can be found [here](#).
- **ODGA Data Governance and Literacy Site:** Contains videos related to data literacy concepts and recordings of ODGA's lunch and learn meetings about data governance topics. Access the site [here](#).
- **ODGA Lunch and Learns:** Byte sized meetings covering data concepts during your lunch hour! Register for Lunch and Learns through the [ODGA Calendar of Events](#).
- **Data Governance Consultation:** Don't know how to started on your data governance program? We're here to help! ODGA offers consultations for agencies to begin and improve their data governance programs. Contact ODGA (odga@odga.virginia.gov) to learn more!
