Connect with the First Lady's Spirit of Sisterhood Initiative

First Lady Suzanne S. Youngkin is excited to share information on how to engage with her Spirit of Sisterhood initiative lifting up Virginia's women and girls.

The First Lady's Sisterhood Monthly newsletter is sent to women, girls and families across the Commonwealth, including information and resources from the Youngkin administration and across Virginia that are pertinent to our women and girls. Please engage with the First Lady's office by sharing your ideas, resources and events that benefit Virginia's women and girls. We want to connect with you!

Her biweekly [Sisterhood Spotlight](#) series features women leaders across the Commonwealth. If you know of an impactful woman who deserves to be recognized, please email the First Lady's office.
