

## **DHRM HR Highlights August**

### **Commonwealth Mentorship Program (CMP) Updates**

#### **Class of 2025 Graduation**

We are proud to celebrate the graduation of the very first class of the Commonwealth Mentorship Program! On August 27, 2025, 13 mentors and 13 mentees successfully completed their 12-month mentoring journey, marking a major milestone in our pilot year.

This accomplishment reflects the dedication, energy, and commitment of our participants—who have built lasting relationships, grown professionally, and developed skills that will serve them well into the future.

We extend our gratitude to agency leadership for their support, and we commend the mentors and mentees for their role in shaping the success of this inaugural year.

#### **Class of 2026**

On Wednesday, September 3, we will officially welcome the CMP Class of 2026, comprised of 50 mentors and 50 mentees! We're thrilled to see growing interest in the program and look forward to an inspiring year of growth, collaboration, and connection.

-

The Commonwealth Mentorship Program is operated by the DHRM Office of Workforce Engagement. To find out more, please visit <https://www.dhrm.virginia.gov/mentorship-program>. Applications for the next Class of 2027 cohort will open in May 2026 - stay tuned!
