

HR Highlights April 2024

The *Gearing Up* Podcast Returns for Season 2!

We are excited to launch season 2 of the *Gearing Up* Podcast, with our first two episodes available now in the [Virginia Learning Center](#)! What is the *Gearing Up* Podcast? We use discussion to explore new ideas and bring together individuals to share different perspectives on varying topics related to workforce planning to enhance your understanding of how to utilize workforce planning techniques more effectively.

Do you have an idea for an episode or are you interested in appearing as a guest to share your agency successes relating to your workforce? Please view the link on our [Strategic Workforce Planning Webpage](#) to submit a topic or inquire about a guest appearance on the show. New episodes are typically released on the second and fourth Thursdays of each month. Check out the episodes and let us know what you think!
