**Timeline Extended for Commonwealth of Virginia Learning Center (COVLC) Upgrade**

As a result of recent developments with the upgrade project, DHRM is in the process of reviewing the COVLC upgrade project timeline with the vendor to establish a revised timeline. We expect the timeline to change from previously published information. The updated information will be provided to agency COVLC administrators as soon as it is available. In the meantime, employees will continue to have access to training in the COVLC.

Please contact the COVLC Helpdesk with any questions at [covlchelpdesk@dhrm.virginia.gov](mailto:covlchelpdesk@dhrm.virginia.gov).
