New Recruitment Management System (RMS) On Schedule

The RMS Replacement Project system configuration is continuing and on track. DHRM provided an overview of the system cutover plan during our Recruiting Network Action Team meeting on September 15 - [see this one-pager](#). Our next team meeting is scheduled for October 24 from 2:00 – 3:00 PM.

We have created a project website to keep you informed, <https://www.dhrm.virginia.gov/pageup-project>. You will find copies of the Recruiting Network Action team meeting presentations, the system cutover plan, and the system configuration agenda.
