

HR Highlights September 2022

Keeping Tabs on the New Recruitment Management System

The RMS Replacement Project is in full swing. We began system configuration on 8/31 and will continue through early November. We provided an update on the project during our Recruiting Network Action Team meeting on August 18. [See the presentation](#). Our next Recruiting Network Action Team meeting is scheduled for September 15, 2022, from 2:00 PM – 3:00 PM.

For agencies that use a different RMS platform, we expect to receive technical specifications from PageUp soon on how you will be able to feed your jobs into PageUp as you do now with People Admin. We will email the specifications directly to the impacted agencies.

If you have any questions, please contact [Allen Blair](#) or [Ponnette Smith](#).
